Let's help each other! NARHA will coordinate in-kind donations...

NARHA will facilitate the giving of equipment, supplies, etc. for those CA riding centers that were negatively impacted by the fires

Individuals or centers who would like to donate such items should contact Joyce at the NARHA national office jharrington@narha.org

If you, your company or your center would like to help but have no tack or supplies to donate, please give to the NARHA disaster fund (see below).

If your center needs equipment or supplies because of the California fires please contact Joyce at the NARHA national office jharrington@narha.org, giving her a list of what is needed. Joyce will put the donating and receiving centers in touch with one another.
